Publication 00628

Release 57

October 2007

HIGHLIGHTS

Highlights from this release:

- *New Goods in Transit—Selected Regulations, Statutes and Treaties, 2007 Edition*
- Appendix of Forms contains new and revised forms

Special Announcement: We are pleased to present Release 57 of *Goods in Transit*. This release constitutes a significant reorganization of Volumes 1 through 7 of the set; Volume 8 has been eliminated. With the reorganization of *Goods in Transit*, the Appendix of Forms, Table of Cases, Table of Statutes, and Index have been relocated to Volume 7. In addition, all primary source materials, such as United States Code, Code of Federal Regulations, and international treaties and related materials, have been updated and reprinted in a convenient bound softcover.

Appendix of Forms: In order to make the set more user-friendly, every form in the set will now be located in the Appendix of Forms in Volume 7. New forms have been added to the appendix, and existing

forms have been revised and updated. The Table of Cases, Table of Statutes, and Index will reside in Volume 7 as well and a sticker for the spine of Volume 7 has been issued to reflect this new organization.

Goods in Transit—Selected Regulations, Statutes and Treaties: Another improvement to the set is the addition of a new bound softcover that provides selected material from the United States Code, Code of Federal Regulations, and international treaties relevant to the transportation industry. In order to help subscribers stay educated on important legislation, annual editions of *Goods in Transit—Selected Regulations, Statutes and Treaties* will be offered with the most current information available. We hope that you will find this portable softcover a valuable addition to the set. (Legislative material that was previously reprinted in Volumes 7 and 8, as well as in various appendices throughout the set, may be found in the *Goods in Transit—Selected Regulations, Statutes and Treaties, 2007 Edition*).

We are confident that you will find these improvements to be invaluable in your use of *Goods in Transit*. Please look for future

improvements as we continue to provide dynamic and pertinent content for our subscribers. To provide feedback on these changes and suggestions for future improvements, please contact Eve Arnold, Esq. at evamarie.arnold@lexisnexis.com.

For trade and transportation law attorneys, stay up to date with the latest offerings from LexisNexis:

The U.S. government has undertaken significant steps to enhance security within the United States, and the laws and regulations affecting the movement of people and goods across our borders are very different today. This has been most readily felt in areas of trade and transportation.

Cargo Transportation Security: Written by a transportation law expert, this special pamphlet examines the principal legislation and regulations currently in effect, that are directed at cargo, port, vessel, and facility

transportation security. To order a copy of this timely pamphlet, visit www.lexis.com/bookstore.

Homeland Security Deskbook: Written by the attorneys at Venable LLP, the Homeland Security Deskbook explores the most significant changes that now affect the movement of goods and people, providing thorough analysis of the rapidly changing requirements pertaining to trade and transportation law. In addition to discussion of homeland security and trade and transportation law, this treatise also provides comprehensive coverage of homeland security and its impact on immigration; government contracting; communications and cyberspace; environmental law; intellectual property; and food and drug protective measures. To order a copy of this authoritative treatise, visit www.lexis.com/bookstore.
