For trade and transportation law attorneys, stay up to date with the latest offerings from LexisNexis:

The U.S. government has undertaken

significant steps to enhance security within the United States, and the laws and regulations affecting the movement of people and goods across our borders are very different today. This has been most readily felt in areas of trade and transportation.

Homeland Security Deskbook: Written by the attorneys at Venable LLP, the Homeland Security Deskbook explores the most significant changes that now affect the movement of goods and people, providing thorough analysis of the rapidly changing requirements pertaining to trade and transportation law. In addition to discussion of homeland security and trade and transportation law, this treatise also provides comprehensive coverage of homeland security and its impact on immigration; government contracting; communications and cyber-

space; environmental law; intellectual property; and food and drug protective measures. To order a copy of this authoritative treatise, visit www.lexis.com/bookstore.
