## ALASKA ADMINISTRATIVE CODE REGISTER 218

### *SUPPLEMENT AND REPLACEMENT PAMPHLETS*

### *PRELIMINARY PAGES, CONTENTS CARD*

Register 218 (July 2016) supplements the Alaska Administrative Code. It includes a replacement pamphlet for Title 17, nine supplement titles, the Cross Reference Table and Index, the Contents Card and Publisher’s Preface, replacement pages for the Certification by Lieutenant Governor (page v) and User’s Guide (pages vii through x).

In addition, to accommodate the placement of the first part of Title 3 into Binder 1, which occurred with Register 217, we have decided to move the index and the cross reference table to Binder 10. As part of this package, you will find new divider tabs for Binders 1 and 2, reflecting the division of Title 3, and two new spine window insert cards, one for Binder 1 and one for Binder 10, indicating the new distribution of the material in those binders.

If you have any questions about this change, please contact us. If you need to replace any of your binders due to wear and tear or malfunction, customer service will be happy to assist you.
