Replacement volumes for Chapters 48-51 and Chapters 52-54 are included in this shipment, along with pocket notice cards to serve as a reminder that there are no 2021 supplements. The 2004 versions of these volumes and their 2020 supplements may be recycled, discarded, or retained for future reference.

The enclosed Index Volume reflects all 2021 legislative actions, replacing the 2020 Index that may be recycled, discarded, or retained for future reference. The New Mexico General Index has been modified to incorporate four special indices that previously appeared at the front of the first index volume into the main General Index. These indices: Short Titles, Executive Agencies, State Agency Funds, and Criminal Offenses are now found in the main General Index as their own main headings.
