

Code of Vermont Rules

October 2007 (Issue 216)

This monthly update includes the updated pages to the *Code of Vermont Rules* for October 2007, current through September 7, 2007. To keep your volume(s) current, you should add these pages and discard replaced ones. Update pages are included only for the volume(s) purchased.

Effective with the issue dated February 2007, Lexis will no longer ship instruction letters without update pages. Instead, filing instruction letters will be available at our online service center. If you do not receive a monthly update, please go to www.lexisnexis.com/printedsc. Once there, click on FILING INSTRUCTIONS on the left navigation bar. Enter the PUBLICATION NUMBER 49553 and press SUBMIT SEARCH; this will bring you to a list of available letters. You can then choose the monthly release you wish to view the instructions for, to ensure that you have received and/or that you remove all of the appropriate material for your subscription.

Each update page is printed with the appropriate chapter number and page number. An “(MR)” next to a regulation denotes that Multiple Rules in continuous order are being removed or added.

This update includes material through Secretary of State Rule Log #07-033
