Publication 81554 Release 9

December 2006

## HIGHLIGHTS

### Highlights of Release 9 of the Third Edition *Maryland Civil Procedure Forms—Practice*

- The original edition of Maryland Civil Procedure Forms—Practice coincided with the 1984 promulgation by the Court of Appeals of Maryland of the first of a series of major revisions to the Rules governing practice and procedure in the courts of Maryland. In the years that have followed that initial publication, the Court has continued to revise the Maryland Rules, not only to recodify or recast practice under the former Rules, but also to keep abreast, and hopefully, ahead of the needs and realities of modern practice in a technology enhanced society. The Third Edition of Maryland Civil Procedure Forms—Practice is designed to help busy civil trial lawyers keep pace with the ever changing landscape of practice under the Maryland Rules, by providing concise, clear examples of pleadings and papers that conform to the latest Rules changes and the

latest court interpretations of the Rules, and by providing practice consideration insights to the “reason” behind the “rhyme” of Rule requirements.

Release 9 includes the following:

- New or revised forms, including:
  - Offer of Judgment (Health Care Malpractice Claim) and related Notice of Acceptance of Offer
  - Complaint for Issuance of Writ of Mandamus
  - Notice of Request for Accommodation of Persons With Disabilities, Request for Spoken Language Interpreter
- Up-to-date commentary on statutory and rules changes governing current practice in the Maryland courts.
- Extensive case law annotations of the rules, providing the latest court interpretations and applications.
- Updated Table of Citations to Cases
- Updated District Court Clerk’s Forms

- Correlation of decisions under Circuit Court Rules with companion District Court Rules.
